

10 Core Values of the Institute

1] Academic Excellence

We are committed to providing high-quality education that encourages curiosity, critical thinking, and a solid academic foundation across all our programs, including BBA, BCA, BA in Civil Services, and B.Com.

2] Integrity and Ethics

We uphold honesty, transparency, and ethical behavior in all areas of academic and administrative life. Our goal is to nurture responsible citizens and future professionals.

3] Holistic Development

We promote the overall development of students by combining academics, co-curricular activities, and community engagement. This approach helps them thrive both personally and professionally.

4] Innovation and Digital Empowerment

We support innovation, particularly in technology and entrepreneurship, to prepare students for the challenges of the modern world, especially in the BCA and BBA programs.

5] Social Responsibility and Civic Engagement

We foster a strong sense of social awareness, responsibility, and commitment to nation-building, especially through our BA in Civil Services and community outreach initiatives.

6] Inclusivity and Diversity

We celebrate diversity and aim to create an inclusive campus that respects various backgrounds, cultures, and perspectives.

7] Student-Centric Approach

Every decision and initiative focus on student success in academics, careers, and personal growth. We provide continuous mentoring, support, and growth opportunities.

8] Industry and Career Orientation

We maintain strong links between industry and academia to ensure practical exposure, internships, and skills that prepare students for careers in business, commerce, technology, and governance.

9] Environmental Consciousness

We promote sustainable practices and environmental responsibility through education, action, and our institutional commitments.

10] Excellence through Collaboration

We believe in the strength of teamwork among faculty, students, alumni, and the wider community to drive innovation and collective growth.
