KNOW YOUR COLLEGE :

## U R J A A N D B F C

### Startling shift from Bollywood to Folklore

Urja : Be all that you can be , a significant, theme based and grand annual fest of Bakliwal Foundation College , cultural committee's boon involving entire college under one purpose.

Since the inauguration of college , college has experienced two Urjas on grand scale at Vishnu Das Bhawe auditorium, Urja 2022-2023 and Urja 2023-2024. With each coming year it is getting better, creative , innovative , exhilarating with fresh zeal and zest.

The transition seen from enthusiastic Bollywood theme to a folkloric legendary theme left BFC in awe.

**The rest is history!**

“URJA 2k23 was a success we had not expected. The whole event was beyond our expectations. The students loved every minute of it. The planning, organization, and execution were quite stressful but they added to the appeal. To pull off an event as big as URJA is not an easy task by any means. However, the support and responsibility shown by the core team, the entire cultural committee and the student council were commendable.

The guidance and mentorship of the management and the faculty helped us achieve

our vision.

As elaborate and special as URJA was, none of it would be possible without the active involvement of our students.

Nonetheless, I would like to thank each and every one of you for lighting URJA up with your presence. I'm proud of how far we've come and what we've achieved.”

### TIME TO BUST MYTHS!

We all believe in myths and we have been come across various myths in our day-to-day life. There are many people who trust myths blindly but it's very important to understand the reality. So on 26th October 2023 we had organized a debate with some twist and turns on Myths. The name of the event was Myth Busters Forum. In this debate there were four teams with four members each. All of them were given one myth per team and they had to defend it. It was a debate in which a myth was said to be bust and the groups were said to save their myths from getting busted.

The event started and we were very interested for what will happen. The participants gave their introduction and after that their opening statement and they started asking questions and countering each other. This was the best part of the event when they started countering questions to each other.

Cont. page 3

The event ended very successfully and we got to know about many new things from the participants.. The winner was Mind Benders (Vaishnavi and group) with the myth Area 51. They gave proofs and facts about there myth.

The event was judged by the Panel judge Prof. Dyaneshwar Sehjwal, Disciplinary panel Vishal dhage , Management panel Aynaz Shaikh , Ankita Amale and Darafsha Shaikh, media panel Ronak dewda and team.

## Let's Explore the Magic of Stories:

### Teller's Tale in the college

On a bright Friday afternoon, the college foyer buzzed with excitement as students gathered for the "Teller's Tales" event. The stage was set for an afternoon of heartfelt stories, poetry, and soulful expressions, all woven together by the enchanting power of words.

The event aimed to encourage creativity, providing a safe platform for budding storytellers and poets. Tahirunnisha Sayyed's heartfelt poetry, Ankita Laxman Tayade's touching teacher-student tale, and Prasad Shinde's wise insights left lasting impressions. Vaishali Ghanate's 'Lafz' shayari, Gaurav Hande's Mahabharat recitations, Danish Nasib's soul-stirring shayaris, and Anjali Kandu's expressive poetry added emotional richness.

Judge Kavitha Selvi Ma'am's presence added anticipation, instilling importance for participants. "Teller's Tales" showcased the power of narratives in connecting individuals and fostering empathy, emphasizing the significance of creative expression.

The event's impact was profound, with Nasib Danish winning first prize and Tahirunnisha Sayyed securing the second prize, highlighting the diverse talent within the college and the timeless art of storytelling in uniting communities through shared emotions and experiences.

## THE FESTIVAL OF CODE !

**Webcraft by Anil karaniya**

Webcraft was held on 27th oct 2023. Organisers made the rules clear to the participants. Everyone was instructed to make a portfolio website for themselves. Organisers had an eye on every participant to help the participants if they were stuck at any moment or to catch any abnormality. As the time passed organisers noticed that most of the students bought the code beforehand. So, to check the participants actually understanding about coding the organisers decided to change the website to a "about us page for a construction website".

The organisers selected the topic about us page carefully by keeping in mind that it is a bit similar to code to a portfolio website. Organisers allowed a 'cheat

code' which was made possible by the second and third year students of our college. They helped them with the ideas they needed to gain some momentum from the sudden change with their web-development project. Everyone had some or the other plan like unique design video links, map links, contact forms, icon themes, transitions, etc.

As the stopwatch was about to hit the hour mark the participants were instructed to leave their computers with their codes and websites running for the judges to check. The Judges Prof. Mrunalini, Prof. Megha and Prof. Nadeem checked the codes while students were present in the preliminary checking. They even asked them a few questions about their codes and gave

them advice about what could be done better with each website to every participant. They mentioned the absence of backlink and contact forms with some teams while others lacked an attractive landing site; some even had spelling and grammatical mistakes in them. Judges had a final round to check all the codes where they marked each team with the scores the winners were announced at the award ceremony which was held in the common area where Mrs. Seema Bakliwal (Executive President, BFC) and Mr. Sharad Shah (Principal, BFC) praise the winners Supriya Kushwaha, Raina Gupta with a token of appreciation.

## WAR OF ACOUSTICS

The mesmerizing and glory event has held at 28th September, in Vishnudas Bhawe, Natyagruha Vashi at 10: to 1:00 pm. .

The event has started with great musical morning. It was all about the talent performing musical instrument with grace. Competition has started with holy diprajavalan and great 'urja' theme song by Ronak Dewda and Mohit Jagdale .

The great performers like Mohit Jagdale, Raikamal Shaha, Ninand Ratade, and all made the event even more memorable and melodious by their soulful performance. The competition was more likely to feel war as it was war acoustics performers made it more exciting

Jagdale.

The competition has been more exciting and thrilling with these awesome performers.

They gave their best to win the battle.

In a group of four, Nandita Tiwari, Tanvi Panchal, Yash Prasad, Raikamal Shaha, sang a great combination of songs from the 19s. On the other side, performers like Ronit Laliya and Mohit Jagdale also gave their best in singing.

The judges were in their best sense to choose the winner from these voices, and finally, the wait was over when the winner was announced: Ronit Laliya from 2nd year BCA. He won the first prize in this singing competition.

Everyone was very delighted with this winner as he performed and sung like that, left everyone in awe. This was a great morning-noon combination ever.
